TO PHYSICIANS.
 Allow me to call your attention to my PREPARATION
 OF COMPOUND EXTRACT BUCHU. The component
 parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER
 BERRIES.
 MODE OF PREPARATION.—Buchu, in vacuo, Juniper
 Berries, by distillation, to form a fine gin. Cubebs
 extracted by displacement by liquor obtained from Juniper
 Berries, containing very little sugar, a small propor-
 tion of spirit, and more palatable than any now in use.
 The active properties are by this mode extracted.
 Buchu, as prepared by Druggists generally, is of a dark
 color. It is a plant that emits its fragrance; the action
 of a flame destroys this its active principle, leaving a
 dark and glutinous decoction. Mine is the color of in-
 gredients. The Buchu in my preparation predominates,
 the smallest quantity of the other ingredients added to
 prevent fermentation; upon inspection, it will be
 found not to be a Tincture, as made in Pharmacopoea,
 nor is it a Syrup—and therefore can be used in cases
 where fever or inflammation exists. In this, you have
 the knowledge of the ingredients and the mode of pre-
 paration.
 Hoping that you will favor it with a trial, and that upon
 inspection it will meet with approbation.
 With a feeling of your confidence,
 I am, very respectfully,
H. T. HELMBOLD,
 Chemist and Druggist of 16 Years' Experience,
 Philadelphia, and now located at his Dispensary
 and Chemical Warehouse, No. 591 Broadway,
 New York.

From the largest Manufacturing Chemist in the World.
 I am acquainted with Mr. H. T. Helmbold; he occu-
 pied the Drug Store opposite my residence, and was suc-
 cessful in conducting the business where others had not
 been equally so before him. I have been favorably im-
 pressed with his character and enterprise.
WILLIAM WRIGHTMAN,
 Firm of Powers & Wrightman, Manufacturing
 Chemists, Smith and Brown-streets,
 Philadelphia.

HELMBOLD'S FLUID EXTRACT BUCHU.
 For Weakness arising from indigestion. The exhausted
 powers of Nature which are accompanied by so many
 alarming symptoms, among which will be found, Indi-
 position to Exertion, Loss of Memory, Wakefulness, Heaviness
 of the Head, or Faintness of Sight; in fact, Universal
 Lassitude, Prostration and inability to enter into the
 enjoyments of society.
 The Constitution, once affected with Organic Weak-
 ness, requires the aid of Medicine to strengthen and in-
 vivigate the system, which HELMBOLD'S EXTRACT
 BUCHU invariably does. If no treatment is submitted to,
 Consumption or Insanity ensues.

HELMBOLD'S FLUID EXTRACT BUCHU.
 In affections peculiar to "FEMALES" is unequalled
 by any other preparation, as in Chlorosis or
 Painfulness or Suppression of Customary
 Discharge, or in the various States of the Uterus
 which are incident to the sex, who heretofore
